

Introducing the Next Generation in Intimate Dog Apparel!

Metric Products—the expert in revolutionizing intimate Women’s apparel for more than 60 years—has finally recreated its proprietary material and innovative design for pets! Metric’s brand new dog harness combines style and comfort for top-of-the-line, private-label brands. This amazing harness is soft, breathable and lightweight, with adjustable straps and more neck room for dogs’ ultimate comfort. Offered in a variety of attractive colors with custom embossed designs, the world’s softest harness is uniquely molded to allow more airflow and less matting of dog’s hair. Plus, Metric products are all hand washable and fast drying!

With our convenient, fashionable, and ultra soft harnesses, our pets have NEVER been more comfy... Try a sample today!
