

## **Metric USA Detachable Android Tablet Case**

Whether you're traveling for business, working on a project for school or working from home, this sleek Android tablet case from Metric USA is perfect for all of your professional needs. Designed with simplicity in mind, this durable and handy Lenovo Thinkpad case provides enhanced protection for your Lenovo Thinkpad X1 Carbon, Lenovo IdeaPad Yoga 13 and Lenovo IdeaPad U310.

This Thinkpad case from Metric USA is unlike any tablet carrying case on the market. It features a lightweight sleeve to keep your tablet free from dirt, smudges or scratches and it fits cleanly inside another bag. Even if you opt not to use the Lenovo Thinkpad cover to house your tablet, the sleeve is attractive enough to carry around on its own. Made of Metric 66, which is a checkpoint friendly material, the Lenovo Thinkpad sleeve weighs next to nothing. It's the perfect carrying case to protect your tablet from moisture, undue pressure and the elements.

The Thinkpad ultra-portable case allows you to travel in ease and style with your Lenova Thinkpad. This trendy IBM Thinkpad case provides peace of mind and allows simple access to your tablet. The Metric 66 has a smooth hand feel which is extremely soft and "touchable." You won't want to put it down. The Thinkpad cover comes in an attractive black and silver grey color or black and red color with a snazzy exterior design. As an added bonus, it also features a pen holder.

The Thinkpad carrying case from Metric 66 is high quality and hand washable, which allows it to maintain its chic appearance for years to come. Get your unique Thinkpad tablet sleeve today. It's affordable and fashionable and it makes the perfect holiday gift for that someone special.
